Calibre Audio Library

UK charity that lends audio books and streams books online for anyone who struggles to access print, including children.

Living Paintings (UK)

Free postal library supporting blind and partially sighted adults, children and young people. They make tactile versions of pictures that come to life when fingers feel them.

BBC CBeebies for special needs

Resources and help for children with additional needs from the BBC, including Mr Tumble!

ITV Signed Stories

Signed Stories help improve the literacy of deaf children from infancy upwards. The website also provides useful advice and guidance for parents, carers and teachers of deaf children, and for the deaf parents of hearing children.

The Letterbox Library

Catalogue of disability-related books for disabled children and their siblings, and for use in school or other settings, that promote understanding and explain 'difference' for all ages from babies to eleven years old.

Twinkl has lots of wonderful resources and ideas to stimulate and entertain children of primary school age. And the [Twinkl SEND resources](#) are well worth checking out for fun stuff to do at home.

[Singing Hands on YouTube](#) has videos of songs signed in Makaton. And they will be doing live sessions on YouTube at 10.30am.

Bumble bee physio London are doing live physio for children who are wheelchair users at 10am on [their Facebook page](#).
